

Industry Diaphragm Pump, Landgraf

Powerful, low-priced diaphragm pump with tube clip connectors. The sturdy pump has a good resistance to chemicals (made of polypropylene and Viton) and is also suitable for soiled water with major particle contamination. It is self-priming and survives a dry-run without any damage.

Technical data:

Pump output: up to 15 l/min
Connections: 15 mm (1/2") external thread, 15 mm (1/2") I-Ø hose
Dimensions (L×W×H) mm: 227 × 100 × 98
Power supply: external power supply with plug switch
Weight: 2.8 kg
