

Wide Neck Containers, KAUTEX

Wide-mouth container made of PVC, tetragonal, clear and brown-transparent.

The wide mouth opening enables a convenient filling and cleaning. Clear for good product presentation. For light-sensitive media, the brown-transparent wide-mouth containers are especially suitable.

Suitable for temper-evident closure PP, black, leak-proof.

Areas of application:

- Packaging
- Removal
- Sampling
- Storage
- Shipping

Wide neck containers PVC, transparent
