

Electronic Industrial Balances, KERN

① Platform scale KERN DE-D Multi functional scale with IP65 display!

Features:

- High mobility: Battery operation/rechargeable battery pack (optional), compact, flat construction and low weight make this balance ideal for use in several locations (production, warehouse, dispatch department, ...)
- Flexible positioning of display device: mounted onto the front, free-standing, mounted to the wall
- Display device: IP65. Protected against dust and water splashes
- PRE-TARE function for manual subtraction of a known container weight, useful for checking fill-levels
- With the recipe function you can weigh the different ingredients of a mixture. As a check, you can also recall the total weight of all the ingredients
- Freely programmable weighing unit (e.g. display directly in special units such as length of thread g/m, paper weight g/m², or similar)

Technical data:

Display: Backlit LCD display, digit height 25 mm
 Dimensions of display device (WxDxH) mm: 225x110x45
 Battery operation: possible, 9 V, not included
 Permissible ambient temperature: 5° – 35°C
