

Multiple Channel Magnetic Stirrers, Phoenix Instrument

RSM-03-10
Multiple channel magnetic stirrers RSM-03

- 10-point magnetic stirrer
- Heatable, model RMS-03-10KH
- Sturdy design (IP42)
- Infinitely adjustable speed
- Silicon-coated surface
- Even distribution of temperature
- 2 years warranty

Technical data:

Model:	RSM-03-10KH	RSM-03-10K
Voltage (V):	200 – 240	200 – 240
Power consumption (W):	490	20
Number of stirring points:	10	10
max. stirring quantity (l H ₂ O):	0.4/stirring point	0.4/stirring point
Stirrers (max. in mm):	40	40
Material of stir plate:	Stainless steel with silicone coating	Stainless steel with silicone coating
RPM:	50 – 1100	50 – 1100
Setting of speed:	manual	manual
Temperature range:	RT–120	–
Setting of temperature range:	manual	–
Dimensions (W×D×H mm):	182×552×65	182×552×65
Protection class:	IP42	IP42
Weight (kg):	3.2	3.2

Article	Order No.
